Anderson reiterated that we are here to respond to Mr. Lawton's complaint, nothing else.

Kohler—called Andrew Lawton to testify to complaint. Mr. Lawton gave an overview of his complaint. Mr. Anderson was given the opportunity to cross examine.

Chief Christman testified to complaints that police department has responded to at Buckhorn.

Anderson called Dick Danielson to testify. Asked about signs posted in establishment. Danielson has asked for pictures of individual, but has not received same. Danielson confirmed that he would ban patrons from establishment if identified.

Kohler—council has an opportunity to deliberate, need to determine if allegations are true.

Dunn feels we haven't help Dick, in order to follow-up.

Coquillet recommendation is to revisit in 30 days, give Danielson photos, time & date stamped to address issues with employees.

Council viewed portions of video.

Council consensus doesn't feel that we have assisted Danielson enough for him to correct situation. We need to give Danielson pictures. Danielson needs to monitor situation, bartenders & needs to be present more in evenings. Police need to be more vigilant. Safety & License Committee will address again at their next mtg. Any further incidents in next 30 days may be cause for suspension.
