SECTION 101.865 WISCONSIN STATUTES - Regulation of Electric Wiring. (1) It is hereby made the duty of every contractor and other person who does any electric wiring in this state to comply with the Wisconsin state electrical code, **and the company furnishing the electric current shall obtain proof of such compliance before furnishing such service**; provided, that nothing therein contained shall be construed as prohibiting any municipality from making more stringent regulations than those contained in the above mentioned code. Proof of such compliance shall consist of a certificate furnished by a municipal or other recognized inspection department or officer, or if there is no such inspection department or officer it shall consist of an affidavit furnished by the contractor or other persons doing the wiring, indicating that there has been such compliance.

(2) Any person who violates the provisions of this section is guilty of a misdemeanor and shall be punished by a fine of not less than twenty-five dollars (\$25.00) nor more than one hundred dollars (\$100.00), or imprisonment in the county jail not less than thirty (30) days nor more than six months.
